X1 [redacted] (sp?) of the CIA Inspector General's office have requested a discussion with and at NPIC about "how we receive, handle, store and retrieve" information.

- They are surveying the Agency on the subject of info handling. At this point they want to be educated about the ways in which we handle information - automated & otherwise.

X1 — [redacted] will organize this exercise, with knowledgeable reps from each of the Center's components participating. This does not have to be a formal briefing -- choose an informal and informative way of telling (+ showing).

X1 — [redacted] requests that the session be earlier rather than later this week.

— Paul: you should contact [redacted] today and arrange the time.

— Also, call the O/DDI
